

WHAT A SHOW!

This week, Year 6 performed their end of year production of 'Let Loose'. It was a fantastic show in front of a packed out audience.

Their play had a twist and was based on Kobi Nazrul going on their school journey. It included several staff members as well as children in their class.

"We worked hard and during the performance we enjoyed it!" Sumaya Y

"It was enjoyable to perform and must have been fun to watch." Minahil

Message from the Head

Dear parents and carers,

We have had a fantastic week of graduations, celebrations and of course a brilliant performance by Year 6. Children have also met their new teacher for next year.

To support this we have been thinking about change during assemblies. We talked about changes that are exciting and that sometimes change can make us feel nervous...and that is ok too! The wide variety of activities across the school this half term will support them during the transition.

Last night we also had our final official IEB meeting as we will become a normally constituted governing body in the autumn term. Thanks very much to Shahana and Nurul (our parent governors) for attending last night to observe the meeting. We also welcomed Anthony Bales (Year 3 class teacher) as our staff governor.

We said good-bye to Anne Canning and Rob Crothers who will not be joining the new governing body. Thanks just doesn't seem enough to show our appreciation for their dedication and commitment to the children and families of Kobi Nazrul during what was an extremely difficult period and now through their strong leadership is a thriving time. We will of course build on their legacy by going from strength to strength. We are very lucky to have Kevan Collins, Kate O'Neill and Avril Newman stay on the governing body for the next part of our exciting journey.

Wishing you all a lovely weekend, Belinda.

On Wednesday, Circle class were invited to take part in the Value Games alongside other schools from Tower Hamlets in Victoria Park.

They took part in many activities including dodgeball, handball, judo, cricket, badminton, boxing, hockey and many more activities.

Reception class had a super graduation event to celebrate their achievements in EYFS before moving to Year 1.

Children and families enjoyed songs, a video and a presentation of certificates to mark this special time of transition. Well done to all our Reception children!

The Early Years very much enjoyed showing off their sporting skills in our EYFS sports day this week. Well done to all Nursery and Reception children who took part in running, throwing, balancing and jumping activities.

It was great to see parents and carers taking part too! In the end the BLUE team won! A special thank you to our Y5 and 6 helpers who were amazing.

Kobi Nazrul received their GOLD award for being a healthy school, which only 16 schools in Tower Hamlets have achieved. We were awarded this for our excellent PSHE curriculum.

This term, Circle class have been learning about the 5 pillars of Islam. They performed a fantastic play about why the 5 pillars of Islam are important to Muslims and around the world.

It was a fantastic assembly which was enjoyed by the whole school!

Congratulations to our mums who successfully completed their ESOL class this year. We are all very proud of your achievements. Shafqat and Aiden's mums completed their petals certificate which means they can now teach English to others.

What fantastic role models for our children.
