

Schools Sports Funding Action Plan 2024-2025 Evaluation

Schools Sports Funding Information 2024-2025	
Number of Eligible Pupils:	234
Total Budget:	£17,760
At Kobi Nazrul we are committed to promoting the health and well-being through physical activity of all our children and their families. In 2023-2024 we will be using our allocated Schools Sports Funding to be more creative with our approach to PE and sports provision and reach out to a wider age-range of children. Through our provision we aim to: • To continue to provide high quality Inclusive PE opportunities for children of all sporting ability, taking into the needs of changing cohorts with changing needs. • Develop opportunities for EYFS children to have focused sporting sessions both with a qualified coach and with the EYFS team. • Continue to strengthen the link and Increase the opportunities for children to compete against other schools, with the aim to become more competitive within these fixtures. • To further improve attitudes to PE and Sports through our 'E' curriculum. This will largely be done through the 'Extended' and 'Enrichment' part of the curriculum and an introduction to the 'Enterprise' curriculum. • Develop the confidence and subject knowledge of all staff so that they can confidently coach children in the acquisition of a range of skills across a range of sports and to be able to assess these skills accurately.	

School Sports Funding Action Plan				
Objective	Actions	Outcomes/ Success criteria	Cost	Monitoring and evaluation of Impact
Increase teacher confidence in the teaching of PE	- Develop teacher confidence in teaching PE - Through staff training - Adapt planning saved on T:drive to show adaptations to promote inclusion - Opportunities to watch coach/ specialist teacher - to build knowledge of assessment indicators PE equipment kept up to date to ensure all pupils have access to broad PE curriculum	- Teachers attend staff training - Teacher are part of specialist coach lessons (cricket) - Teachers feel more confident - Teachers implement new strategies that improves their teaching of PE	Staffing cost: £1000 Resourcing: £1500	Staff working alongside PE coach to support the teaching of cricket. Teachers joined and co-taught from a specialist for 6 sessions. Teachers had the opportunity to see how lessons progress from starter skills, strategy in game and a game like plenary to apply skills. Impact of this is seen in our children being more articulate when playing different sports in at competition level. Medium term plans for all lessons that PE coach teaches are now saved on the system. This has been adapted to include stretch for the learning and support for the learning to support the range of needs within classes. This also gives teachers opportunities to use these as assessment tools.
Children reach at least the expected standard for swimming by the end of year 4* This is an ongoing target and one in which we are looking to extend options.	Year 3 to go swimming from spring term so that every child in the school receives 5 terms of swimming instead of 3 (continued extended provision as still children not reaching the end of KS expectation of 25m)	- Children can swim 25m by the end of year 4* - Children enjoy swimming and feel safe in the water	£1650 additional teacher for year 3 for 2 terms £3700 First aider to accompany	2 children could swim 25m this year (previously 0). Over half of the class can swim to a basic level. We have observed water confidence has increased over the years (annual family seaside trip)

	- Specialist AT to support children with specific need - Look into opportunities for additional swimming opportunities both in the school term and as part of our extended holiday school provision.			
Use a specialist teacher to initiate inter & intra school competitions through clubs	- Continue to develop the coach and links to other E1 schools - Plan intra competitions and host inter competitions - Lead regular competitions throughout the year.	- Children take part in competitions - regular opportunities are planned in - parent visit volunteer bank created to support this	£810 sports premium for specialist teacher £1,000 staffing costs (£5400 total)	Please appendix of sports competitions attended this year. This meant all children in KS2 had a chance to take part in intra-school competitions with local schools. Impact: the increase in in confidence and success within these competitions.
Continue to broaden the range opportunities for different physical activity experiences on offer A range of active after school clubs on offer.	- Different year groups experience sports they have not tried before adding to the enrichment and entitlement curriculum - Inclusive sports day opportunities	- Increased motivation levels for physical activity - Improved confidence to try new sports - Children access these sports with their families - There are enough resources for whole class activities	£900 (experiences and bike maintenance) £4,000 (resourcing)	Bike loans were successfully accessed by a range of families throughout the term time and over the school holidays. More children attended summer school and had the opportunity to learn cycling and have made further use of the bikes. A successful sports day showed parents actively encouraging and joining in sporting activities. The parent involvement for the tug of war was greater than any year so far.

	● Playtime equipment offers a range of active play – balance bike, scooters and trikes for KS1 playground ● Year group teachers plan these either through trips or visitors during medium term planning ● Invite parent volunteers to the trips to share the experience so they are confident to go with their children in their own time ● Clubs include: multi-sports, football, cricket, Thai boxing, gymnastics. (We will also be responsive to surveys conducted or informal feedback.) ● Establish a bike loan as part of the pool of bikes we have.	● Children access the bikes during the weekends and school holidays.		KS1 and KS2 have a range of playground activities that encourage physical activities. Play leaders – a job in the job centre support children during playgrounds engage with the play equipment including skipping and the parachute. Multisport club is oversubscribed with lots of children and families choosing it.

Increased opportunities for EYFS PE	• Work with external specialist to develop PE teaching for reception class	• Rise in number of children reaching PD ELG	Staffing Specialist teacher £1700	PE coach works with reception class weekly. This impact is seen throughout the year and into year 1 where the children have better awareness of their bodies and a better hand-eye co-ordination to begin year 1 PE with.
Improve/promote sense of pride in being part of a team and representing the school Purchase of new football kit, trophies for medals and stickers for Sports Days	• Sports day stickers and medals • Sports equipment	• Children inspired to trial for borough teams • Children inspired to take part in tournaments • Children express pride in sports days	£1000	Sports Day plaque is on display with the winning team inscribed each time. Each year children are recognised for their sporting efforts and will continue to do this. We were not able to get a football kit this year but we will hope to in 2024-2025.
Maintain the activity provision in breakfast club based on the needs of children attending	• Maintain a timetable of a broad range of activities that develop a variety of physical skills	• Children exercise more and experience a wider variety of sports / games; including those they can replicate in the playground	£500	Breakfast club has a range of activities timetable d in to ensure a range of both physical and mental activities stimulate the children. Breakfast club has a range of ages attending and activities are able to cater for this. This has been observed by our provider (Greggs) and we are one of their beacon schools. We were also made the shortlist for breakfast club of the year nationally.
Sports Premium Total: Sports spending total:			£17,760	- In addition – inclusive sports day – student leadership SEND sports - Girls football club
